

New Source Review newspaper advertisements for construction permit applications, August 21, 2008. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: August 19, August 20 or August 21, 2008. Public notices are generally published every two weeks. The previous publication of public notices was August 8, 2008.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is APAC Atlantic, Inc., Harrison Division with a mailing address of 1301 Spring Hill Road, Knoxville, TN 37914. They seek to obtain an air contaminant permit (Division identification number 01-0054-03/61999) to construct a Portable Diesel Generator located at 250 Union Valley Road, Oak Ridge, TN 37830. This proposed operation would consist of a portable diesel generator used to provide power for the concrete batch plant. Because of the amount and type of emissions, the use of air pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Jabari Martin is the assigned Division person.

For the Anderson County *Oak Ridger* -- published once on or before Thursday August 21, 2008.

---

The applicant is Constant Companion Pet Crematory with a mailing address of 2417 Georgetown Road NW, Cleveland, TN 37311. They seek to obtain an air contaminant permit (Division identification number: 06-0272-01/62256) for construction of an Animal Crematory Operation located at the same address. This proposed operation would consist of a natural gas-fired incinerator and associated equipment used to cremate deceased animal remains. An afterburner would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. M. Reynolds is the assigned Division person.

For Bradley County *Cleveland Daily Banner* -- published once on or before Thursday, August 21, 2008.

---

The applicant is City of Newport with a mailing address of P.O. Box 370, Newport, TN 37822. They seek to obtain an air contaminant permit (Division identification number: 15-0120-01/62210) for construction of an Air Curtain Destructor at 283 Clayhill Road, Newport TN 37821. This proposed operation would consist of an air curtain incinerator for brush and wood waste disposal. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. O. Jacobsen is the assigned Division person.

For the Cocke County *Newport Plain Talk* -- published once on or before Thursday, August 21, 2008.

---

The applicant is Rogers Group, Inc.- Pulaski Quarry with a mailing address of P.O. Box 25250, Nashville, TN 37202-5250. They seek to obtain an air contaminant permit (Division identification number: 28-0009-01/62141) for a rock crushing and sizing operation located at 698 Bethel Road, Pulaski, Tennessee. The proposed modification would consist of adding three conveyors and a screen to the current operation. There would be physical construction. Regulated air contaminants would be emitted by this source. Wet suppression is used for pollution control of particulates. Mr. Thomas Krinov is the assigned Division person.

For the Giles County *Pulaski Citizen* -- published once on or before Tuesday, August 21, 2008.

---

The applicant is Weigel's #65, with a mailing address of P.O. Box 650, Powell, TN 37849. They seek to obtain an air contaminant permit (Division identification number: 32-0276-01/62198) for construction of a Gasoline Dispensing Facility located at 2106 West Andrew Johnson Highway, Morristown, TN 37816. This proposed operation would consist of one gasoline storage tank and appurtenant gasoline dispensing equipment. Stage I vapor recovery equipment would be used for gasoline emission control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. Hymelia Craig is the assigned Division person.

For the Hamblen County *Citizen Tribune* -- published once on or before Thursday, August 21, 2008.

---

The applicant is Midwest Woodworking & Fixtures Corporation with a mailing address of 1020 Tennessee Avenue, Selmer, TN 38068. They seek to obtain air contaminant permits for construction of a woodworking and spraying operation located at this same address as follows:

(1) Adhesive Spraying Operation (Division identification number: 55-0110-01/62110). This proposed operation would consist of spraying bond adhesive to laminate wood cabinets. Equipment is being moved from the current facility located at 4254 Main Street, Bethel Springs, TN to 1020 Tennessee Avenue, Selmer, TN. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source.

(2) Spray Coating Operation (Division identification number: 55-0110-02/62111). This proposed operation would consist of a spray booth for painting wood cabinets. Equipment is being moved from the current facility located at 4254 Main Street, Bethel Springs, TN to 1020 Tennessee Avenue, Selmer, TN. Exhaust filters would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source.

(3) Woodworking Operation (Division identification number: 55-0110-03/62112). This proposed operation would consist of two CNC machines, a panel saw, two edge banders, a wide belt sander, seven miter saws and four table saws. A Dantherm dust collection system (fabric filter) would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Thomas Krinov is the assigned Division person.

For the McNairy County *Independent – Appeal* -- published once on or before Thursday, August 21, 2008.

---

The applicant is Citizen Gas Utility District of Scott and Morgan Counties with a mailing address of P. O. Box 68, Deer Lodge, TN 37726. They seek to obtain an air contaminant permit (Division identification numbers: 65-0051-03/62118 for construction of a Natural Gas Dehydrator located at Burrville Road, Sunbright, TN 37872. This proposed process is to recirculates triethylene glycol (TEG) to remove moisture from pipeline natural gas using absorption (column) and thermal regeneration (heater) steps. Because of the amount and type of emissions, pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. M. Baghernejad is the assigned Division person.

For the *Morgan County News* -- published once on or before Thursday, August 21, 2008.

---

The applicant is Vulcan Construction Materials, L.P. with a mailing address of P.O. Box 7, Knoxville, TN 37901. They seek to obtain an air contaminant permit (Division identification number: 78-0103-03/62214) for construction of a Screening Operation at 3360 Winfield Dunn Highway, Kodak, TN 37764. This proposed operation would consist of a portable screen and associated equipment used to screen and size rocks. Wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. O. Jacobsen is the assigned Division person.

For the Sevier County *Mountain Press* -- published once on or before Thursday, August 21, 2008.

---

The applicant is Sudden Service #54 with a mailing address of 1503 Memorial Blvd, Springfield, TN 37172. They seek to obtain an air contaminant permit (Division identification number: 83-0408-01/62220) for construction of a Gasoline Dispensing Facility at 1000 Airport Road, Gallatin, TN 37066. This proposed operation would consist of three (3) underground tanks and eight (8) gasoline nozzles. A Stage I and Stage II vapor recovery would be used for gasoline emission control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. W. Collins is the assigned Division person.

For the Sumner County *News-Examiner* -- published once on or before Thursday, August 21, 2008.

---

The applicant is Vulcan Construction Materials, L.P. with a mailing address of P.O. Box 7, Knoxville, TN 37901. They seek to obtain an air contaminant permit (Division identification number: 87-0035-03/62213) for construction of a Screening Operation at 776 John Deere Drive, Maynardville, TN 37807. This proposed operation would consist of a portable screen and associated equipment used to screen and size rocks. Wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. O. Jacobsen is the assigned Division person.

For the Union County *News Leader* -- published once on or before Thursday, August 21, 2008.
